Iran continues executions of the Baloch people

The Islamic Republic of Iran under the leadership of Ali Khamenei and President Ebrahim Raisi continues to execute prisoners in Iran. Baloch citizens have been arrested by the regime on various charges, tortured, and forced to make confessions in detention which ultimately lead them to death sentences. Hence, Zahedan prison ranks third in the country in terms of execution of death sentences in the country.

Only from 2nd of November till 16th of November at least 18 Baloch prisoners have been executed. You can find a list people have been executed in Balochistan in following link of our website.

Arrest and torture of Baloch citizens by the security forces

The regime of the Islamic Republic of Iran is trying to eliminate its opponents in various ways throughout Iran, and it is pursuing this issue in Balochistan in other ways and with more intensity. In Balochistan, as opposed to the constitution, military agents receives orders from higher, to shoot or arrest the Baloch citizens without any prior warning.

From 23rd of October till 21st of November, at least 51 Baloch activists have been arrested.

Baloch citizens being killed by armed forces with unknown identities

The Revolutionary Guards distributed firearms to their plain clothes personnel in Balochistan, posing a serious challenge to the security in Balochistan, as these seemingly unofficial forces of the Revolutionary Guards starts shooting with firearms and carrying out armed looting of ordinary Baloch citizens.

Yaser narohi, student, and 25 years old was killed in Zehedan and Shoaib dorghale, another young Baloch was killed in Chabahar on 3rd of November 2022.

An introduction of Balochistan Human Rights Group (BHRG)

Balochistan Human Rights Group (BHRG) is an independent and non-profit human rights organization which works to provide information to fill the gaps cause by the lack of independent media in Balochistan through investigation, effective communication and gathering reliable documents.

BHRG provides relevant, verified and up-to date information regarding the human rights situation in Western Balochistan.

Baloch fuel carrier's life is in risk

Baloch citizens are left with dangerous jobs such as fuel delivery to meet their basic needs and to earn money for their families, in such a way that by buying and selling and transporting petroleum products cross-border to Pakistan risking their very lives as that expose fuel carriers to all kinds of dangers, from direct shooting by military forces to road accidents.

At least five fuel carriers lost their lives in three days from 16th till 18th of November 2022.

Drowning of Baloch kids in hootag's(stagnant waters)

Since the acute shortage of water in many villages in Balochistan due to negligence by the state as no water supply system is in place, local Baloch people collect rainwater in a large ditch locally called 'hootag' or fetch water from the river, where the river flows.

Nahman Jam, a 8 years old student, was drowned in a **hootag** in **Dashtiyari** city of Balochistan on 16th of November while collecting water for his family.

Killed and wounded Baloch citizens at the result of shootings by the security forces

After the bloody Friday of Zahedan city in Balochistan on 30 of September 2022, and killing more than 100 innocent demonstrators, the regime continues killing and wounding Baloch demonstrators.

From 23rd of October till 19th of November, at least 20 people have been killed and two persons have been injured in Balochistan at the result of direct shooting of demonstrators.
